October 2020

DEACONS' REPORT: This has been a really challenging year for the deacons. We have tried to stay in touch with church membership, and provide Deacon of the Week (DOW) prayers during our one live service.

As October begins, the deacons will be handling the nominations for next year's Ministry Council. The nomination deadline will be Sunday October 4. Our annual meeting will be Sunday November 15 at Fauquier High School where there will be plenty of room for distancing and safety. I know we can meet our quota, so please plan on attending.

We will be filling six deacon positions for next year. It would be wonderful to add a few more to our board. If you would like to know about becoming a deacon, contact me at 540 229-0929 or steveanderson009@gmail.com.
